

Jenny Clarinet Kroepsch Boot Camp Guide

June 2018

#AKroepschADay

Books required: Kroepsch *416 Progressive Daily Studies for the Clarinet*, Vols. 1-4

You will complete all four volumes of the Kroepsch in June by practicing a different key signature every day. I've taken exercises from each book so you can complete all 416 exercises in just 30 days!

Here is a breakdown of the daily schedule. Book numbers appear in Roman numerals followed by exercise numbers after the colon:

C Major

- I: 1-12 (Book one, exercises one through twelve)
- III: 1, 14, 27 (Book three, exercises 1, 14, and 27)
- IV: 1 (Book four, exercise 1)

Note that you will practice the same lines from book III for two days before moving on to the next sequence of exercises. On days which include "review," use this time to review any previously assigned exercises.

Tempi will vary according to each exercise, and the goal is to be able to play through each exercise cleanly. I strongly advise repeating each line several times to achieve solid technical finesse. Prioritize accuracy and precision over speed. As always, this boot camp can be modified to accommodate your individual practicing schedule.

Be sure to join the Kroepsch Boot Camp community on Facebook by liking Jenny Clarinet and participating in the Facebook event pages (Kroepsch Boot Camp – part 1 and Kroepsch Boot Camp – part 2), where boot campers will be posting videos, feedback, suggestions, encouragement, and moral support throughout the month!
